Lomas del Volcán Hotel is a warm mountain hotel that maintains its rustic style with wood cabins, each one with 2 decks that invites you to enjoy nature, one with a view to the Arenal Volcano and the other with a view to the tropical forest.

It was founded in the year 2000, on top of a hill inside of a cattle farm property of 150 hectares, away from the everyday noises and immerse in a silence that is only broken by the singing of the birds. This makes it a special place for nature and eco-tourism lovers, since inside of the property you can observe a big diversity of plants and animals from the region.

Lomas del Volcán Hotel is a gentle place to enjoy the nature and the magnificent views of the Arenal Volcano, it's construction allows the observation of the volcano from all cabins, what will make your stay unforgettable. The hotel's rooms are elegantly appointed with great attention to detail, set in a tranquil and relaxing atmosphere combined with the warm welcome provided by friendly family management.

The hotel has 47 cabin-style rooms, spacious parking, Wi-Fi internet in all areas of the hotel. It offers a swimming pool, jacuzzi, room massage service, local tour sales, a natural trail of 1.5 kms. There is a restaurant with a capacity for 80 people, in which local and international dishes are offered, that comply with the expectations of the most demanding palates. Also, we have a bar where you will be able to delight yourself with a drink or cocktail, while observing the Arenal Volcano.

How to Book:

Send an email to: Steven Quiros Paniagua, Lomas del Volcan. Use code **TDWG2016** for book with rates for the congress.
