Iriomote cat illustration by Prof. Mitsuru Moriguchi, Okinawa University.

Open-Access

- Access to published project data
- Permalinks for all published projects
- Citable DOIs for projects & matrices
- Integrated matrices are FAIR
- 2D & 3D images
- Curator support for data formatting

- 20,000+ species
- 1,700+ projects
- 1,000+ institutions
- 1,100+ phylogenetic matrices
- 170,000+ images
- 4,100+ scientists
- 200+ journals

morphobank.org

- Financial: NSF, Phoenix Bioinformatics, memberships
- Sustainability
- Scientific: community awareness; dataset expansion
- Technical: software code updates
